

To All Parade Participants,

Thank you for your interest in participating in the Historical/Hysterical Parade on Sunday, September 7, 2008. I would like to take this time to advise you about some of the rules and to impart some information about this special event.

Parade floats need to enter the staging area from Alamo Drive and official fiesta council members will be directing you to your parade space. The spaces will be determined on a first come first serve basis and you must have your float vehicle at this time. A driver needs to be with the vehicle at all times for emergency purposes. Any float left unattended will be towed if necessary. Proof of insurance is needed for each vehicle and will be checked when registering.

Vehicles that will not be allowed to participate in this year's parade are as follows: ATV's, and car clubs. We are unable to accommodate these special vehicles and will reconsider their participation in the future.

All parade entries will be given the official paper work on the day of the parade to be completed and returned to the registration table located on Sabino Drive. The entry fee is \$20.00 for each float and we will accept cash or check. Please understand that the official paperwork is done at the time of registration and not prior to because some information is needed in duplicate. If you would like to type up a list of individuals that are going to be on your float entry, please feel free to do so and we will staple it to your paperwork.

Judging for the parade will be held from 9:30 am to 11:30 am. If you are going to be competing, please be sure to have your float ready by 9:30 am because the judges will not be able to back track after they pass your entry number. This year we will be judging the horse entries for a first place prize of \$200.00. The parade will begin at 1:00 pm.

We are looking forward to having you participate in this year's parade. Please feel free to contact me at 469-6167 or 471-1495 if you have any further questions.

Sincerely,

Theresa Anaya Burney
